1. Jurisdiction

Prosecuting Attorney Scott Smith has violated countless rights of mine. He is involved, for over 7 years now, having an alleged charge against me for unwanted internet communications.

He has had phone conversations with me that apparently he was not allowed to have.

He has been involved, or covered-up, threats towards me, stalking.

He knows that Angela Goodson (Delvecchio) has had internet communications with me.

I offered to turn myself in, or discuss legal actions I wish to pursue, but Smith did not even reply to my offer.

Smith knew any charges were without merit. He knows press, police, judicial bar are letting him get away with it.

Smith had no concern that this, and a staged arrest, have helped cover up that this was over my reporting Goodson and a homeless shelter for abuse towards myself, elderly, pets, and Smith doesn't care that witnesses were

threatened for written statements of shelter director needing to be kept away from children. There is more. (FBI said no warrant or arrest).

2. Short & Plain Statement - for 8 years I have suffered emotional distress & more. Embarrassment on jobs.

3. Relief requested in the amount of seven million dollars.
